

Patowmeck against George's later by Naval Officer of Patowmeck, complaining that the said plates had demanded fees and otherquisites for liberty & clearance of the George Galley which had entered with the said Lee, and also the aforesaid answer of the said plates, and it appearing that the said Galley actually came into Patowmeck District upon it's first arrival without going into any other port or District, and that the Master went from thence by Land to the S. Lee's Office on Patowmeck and entered his Ship there, although the said Ship did not go into the said Lee's District but unladed and reladed in Patowmeck River within the said plates District, and that the S. Lee under colour of the said Entry received the fees andquisites on the Entry and clearance of the S. Ship This Board is unanimously of Opinion that every Naval Officer has an undoubted Right to all fees andquisites arising for the Entry and clearance of all Vessels which anchor and trade within his District, and that the Naval Officer of any other District has not any Right to any such fees orquisites, and that the Naval Officer of One District ought not to enter any Ship or Vessel lying within the District of another Naval Officer; — Therefore his Excellency by the Unanimous Advice of this Board is pleased to award order and direct the said Lee to pay the said plates what Money he received for the Entry and clearance of the Galley mentioned in the Remembrance and Answer either for fees or Commissions
