

Arms and Ammunition, and having so done the Seneca, Tota, and Other Indians were in roasting Ear and Apple time to fall upon the Back Inhabitants and at the same time the French who was to come, by Sea, were to land on the Sea board side of Somerset County in order to meet the said Indians, and further this Examinant saith not

30 June 1742 certified by Henry Tripple

Jacob ^{his} Pattasahook Monk

The Examination of Peter Monk a Manticoke Indian. This Examinant saith that he was told by Joshua and Pattasahook two Manticoke Indians that they were lately at Conoy Town on Susquehanna River, and there heard the Seneca and Shawan Indians say that they in conjunction with the French which said French were to land on the Sea side had agreed to kill the English Inhabitants of Maryland & Pennsylvania and other Parts of this Continent in Apple time this present year or next Spring, and further this Examinant saith that he saw the War Captain of the Shawan Nation of Indians at Broad Creek town on Manticoke River about four Days after the Indians had left Chicacoan Town and heard the said Captain agree with Panguash, Dixon Coursey, & Simon as before he had been told to joyn and kill the English, and that he still believes they will come, and further this Examinant saith that he heard the Manticoke and Broad Creek Indians talking that they had built a logged house in Pocomoke Swamps where there was some Gun Powder Shot and poisoned Arrows and further saith not
