

His Excellency is pleased to lay before this Board the following Letters
Whitehall August 20th 1758

Sir
His Majesty having received Information of the March of a considerable Number of Indians not in Alliance with the King, Supported by some regular European Troops, intending as it is apprehended to commit some Hostilities on parts of his Majestys Dominions in America I have the Kings Commands to send you this Intelligence, and to direct you to use your utmost diligence, to learn how far the same may be well grounded and to put you upon your Guard that you may at all Events be in a condition to resist any hostile attempts that may be made upon any parts of his Majestys Dominions within your Government and to direct you in the Kings Name, that in case the Subjects of any Foreign Prince or State should presume to make any Inroad, on the Limits of his Majestys Dominions or to erect Forts on his Majestys Lands or commit any other Act of Hostility, you are immediately to represent the Injustice of such proceeding, and to require them forthwith to desist from any such unbecoming undertaking; But if notwithstanding your Requisition they should still persist, you are then to draw forth the Armed Force of the Province and to use your best Endeavours, to repel Force by Force. But as it is his Majestys Determination not to be the Aggressor, I have the Kings Commands most Strictly to enjoin you not to make use of the Armed Force under your direction excepting within the undoubted Limits of his Majestys Dominions

And whereas it may be greatly conducive to his Majestys Service that all his Provinces in America should be aiding and assisting each other in case of any Invasion, I have it particularly in Charge from his Majesty to acquaint you that it is his Royal Will and Pleasure that you should keep up an exact Correspondence with all his Majestys Governors on the Continent, and in case you shall be informed by any of them, of any Hostile Attempts you are immediately to assemble the General Assembly within your Government, and lay before them the necessity of a mutual Assistance and engage them to grant such Supplies as the Exigency of Affairs may require. I have wrote by this Conveyance to all his Majestys Governors to the same Purpose I am Sir your Most Obedient humble servant
