Brother Mahachey of Neway and Brother of the Cherokee Nations

I have heard of your name and your good intentions towards us from your Brother of Virginia, and have for a long time had a great Desire to see you, but it happens that now you are come I am unable to meet you, this I am very sad but I hope you will excuse me since I have sent Mr. Pops to communicate my sentiments unto you, I have appointed him because I know that he has a particular regard for you, and because I am confident he will deliver my Words faithfully, he will in my Name and on Behalf of the People of this Province make a League with you which I hope will last as long as the Sun and Moon shall endure, as a Mark of my Friendship towards you I have sent you a present worth in my Power I would have sent you a larger but I hope you will not consider the Value of the Present so much as the Inclination of him that gives it, I have also ordered Mr. Pops to
