

The Whorshill Savannah that he the Deponent hath often been with others a Ranging for
 Young Wolves, Coles or cranes, that were bred or usually did frequent the said Savannah as their
 feeding Place, that in the course of such Ranging, he hath frequently met with several
 Inhabitants of Maryland who came to the said Savannah on the same ends and
 Purposes and that he always heard the said People of Maryland aforesaid acknowledge
 that the said Savannah belonged to what was then called the Whorshill County and he
 further saith that the said Savannah to the best of his Belief and knowledge, lyeth
 near South or rather Southeastly from the Trading Place by a certain Branch called &
 known by the Name of Gravelly Branch and further this Deponent saith not

The Deposition of Ephraim Polke of the County aforesaid
 Yeoman aged Forty One Years or thereabouts taken at Lewis in the said County this
 Nineteenth day of May in the year of our Lord One Thousand Seven Hundred and Fifty
 Nine This Deponent being Solemnly Sworn on the Holy Evangelists did depose saying
 that he was born in the County of Somerset in the Province of Maryland: at the
 Lower end thereof: but that when he was about Eight Years of age, his Brother
 Charles Polke (who had the care of him) became a Settler at the upper end of the said
 County of Somerset, now called Worcester County: and the Deponent further saith
 that the Place his aforesaid Brother settled on at his Removal as aforesaid (being now
 about Thirty two Years Past) was Reputed to be on the Borders between Somerset
 County, as it was then called and the County of Sussex aforesaid but then more Generally
 called by the People of the Province of Maryland, Whorshill County, The Deponent
 further saith that he lived with his aforesaid Brother Charles at his Settlement on the
 aforesaid Reputed Borders, until he was upwards of Twenty Years of age: he then married
 and went to settle on an Improvement made by a certain George Bishop under a
 Warrant of Survey from the Land Office of the Government of Maryland: the Certificate of
 which Warrant had some time before been Assigned over to the Deponent, by the said
 George Bishop who had had (by Virtue of the said Warrant) a Survey made for him
 the said George: the which Improvement is Situate on the North Side of a Branch
 called by the Name of Maple marsh Branch, and lyeth Northward from the
 Plantation of his Brother Charles Polke about two miles, the Deponent further
 saith that in about two or three Years after that he had went to Live on the Improvement
 aforesaid, he sold his Right therein to a certain Richard Goodale Junr. and then came
 to settle in the Forest Part of Cedar Creek Hundred in Sussex County aforesaid
 and in which Hundred he hath ever since Dwelt, The Deponent Likewise
