

On consideration of the foregoing Address, This Board are unanimously of Opinion, and Advise his Excellency to Provoke the Assembly immediately, and in Case it shall at any time thereafter appear to him that the Lower House of Assembly hath proceeded contrary to the Spirit of the Earl of Hillsborough's Letter, that he then issue Proclamations to Dissolve them. —

At a Council held at the Council Chamber on Monday the 27th Day of June in the Eighteenth Year of His Lordship's Dominion Anno Domini 1760.

Present

His Excellency Horatio Sharpe Esq^r Governor.

The Honble Benedict Calvert, Daniel Dulany, John Ridout and Walter Dulany Esq^r.
This Day being appointed for the hearing of the Complaint of Edward Talbot against William Ireland.
Edward Talbot appeared in his proper Person, and William Ireland by Council, when several Depositions
and Matters relative thereto were Read, and the Testimony of Aaron Williams was heard he having been
first duly sworn, but inasmuch as Ellis Slater the Deputy Clerk did not attend according to Order, and
it being alledged that sundry Depositions offered by Col^r Ireland were not taken in the presence of Edward
Talbot the Complainant, It is Ordered that the Consideration of the Complaint be referred, in Order that
the Complainant may examine on his part the Persons whose Depositions have been taken on the
behalf of Col^r Ireland, at the taking whereof the Complainant was not present, and also of Examining
Ellis Slater the Deputy Clerk, on Interrogatories in Writing, and it is further Ordered, that the Courts
Socket for August Court last in Calvert County, be lodged with the Clerk of this Board, Notice to be
given by the Complainant to Col^r Ireland of the time and place of taking the above Depositions,
which after taking are to be lodged as above. —

24th August 1760.

To his Excellency Horatio Sharpe Esq^r Governor of Maryland.

The Petition of the Subscribers humbly Sheweth.

That Your Petitioners being near Neighbours to Ezechiel Gott, and knowing his Negro Sad Serv^r for
some Years past, who now lies under Sentence of Death for a Burglary in the House of a certain
Boardley Bowes, which your Petitioners presume he committed through overpersuasion, Youth, and
inexperience, he being not quite eighteen Years of Age, and Your Petitioners never knew nor heard
of his being guilty of or accessory to any Crime until this.

That your Petitioners also knowing that the said Ezechiel Gott, cannot directly purchase a Slave
that would be so serviceable to him as the said Negro, and that notwithstanding the High Value the
Court has been pleased to put him at, your Petitioners do apprehend that the said Ezechiel Gott would be
a great sufferer at this Time, if his Negro must suffer Death. —

That your Petitioners, as Neighbours to the said Ezechiel Gott, will be under no Apprehen-
sions of suffering in their Propertys if the said Negro Sad should, through Your Excellencies Mercy, be
returned to his said Master. Your Petitioners therefore humbly beseech Your Excellency will

be pleased to look on the said Negro as an Object of Mercy, and if from this Representation or any
other Your Excellency may collect, that You'll be pleased for the above Reasons to take this Petition into
Consideration, and grant the said Negro a Pardon, if it should to Your Excellency's great Judgment
appear fit. — And your Petitioners as in Duty bound will ever pray
