

To all Persons whom it may concern We the Subscribers do hereby certify that we or most of us have been personally acquainted with M^r. Francis and Jeremiah Baker from their Infancy and that they have lived among us soberly quietly and inoffensively free from Scandal of any kind (Rioting) or Drunkenness or any kind of Debauchery that M^r. Francis Baker has lived a considerable time in a Different County and that we have never heard anything detrimental to his Character more than when he lived amongst us and of Jeremiah who has lived all his life hitherto with us we can with Justice affirm that he has lived blameless in every Respect as far as we ever knew or heard what is or may be now alleged in Regard to William Reynolds Excepted and he has been always highly esteemed by us for his good Nature and prudent Behaviour - In Testimony whereof we have hereunto set our hands this 27. day of May 1769 -
