Whereas the General Assembly by their Resolution of this Day have authorized and requested us to Issue our Warrants to the Lieutenant of Kent County to arrest George Mann of the said County, the Lieutenants of Cecil and Harford Counties to arrest John Stump and also to the Lieutenant of Queen Anne's County to arrest George Jackson and to seize all their Books and papers for that it is represented they are disaffected and Dangerous persons and that there is good reason to believe they have purchased up considerable quantities of Grain for the use of the Enemy and that their going at large is Dangerous to the State. The Lieutenants aforesaid are therefore hereby empowered and required to arrest the said George Mann, John Stump and George Jackson immediately and to take into their possession all the Books and papers belonging to them and to send them with their Books and papers, seized by the said Lieutenants under proper and sufficient Guards to us and for apprehending, taking and securing the said George Mann, John Stump and George Jackson, their Books and papers we do do hereby in pursuance of the said Resolution empower the Lieut. aforesaid to take such part of the Militia of their Counties as they may think proper and if they should be resisted in the Execution of this Warrant, they are to seize and send the persons
