The Council met

Present the Honorable

Agua Paca, John Davidson, John H. Stone & Saml J. Wright Esq^{rs}

A Petition from Richard Flemming of the City of Annapolis was laid before the Board, setting forth, that in the year 1783, he became Security in the sum of twenty pounds for Daniel Munroe's keeping the Peace, and in the same year the said Daniel Munroe was prosecuted, tried, and found guilty of breaking the Peace, by assaulting William Campbell, whereby the Recognizance of the Petitioner became forfeited, and Execution has since issued and the said Petitioner answerable for the forfeiture - that he was deceived by the Cunning and misrepresentations of the said Daniel Munroe, and thereby unwarily induced to become his Security - that the said Flemming has a large Family to support and maintain from his own Labour, and if not relieved, will be compelled to sell his property greatly under its value to discharge the said forfeiture - praying that the Board would take his case under Consideration, and remit the forfeiture, or such part thereof as might be thought proper, and three of the Justices having recommended the Petitioner to this Board, they are of Opinion that five pounds part of the said twenty pounds, be remitted, and do order and direct a Remission of the said five pounds accordingly
