

The Justices of the County Court and Orphans Court of this County are hereby re-appointed.

In Council December 8. 1788.

Thomas Rose of Prince Georges County by his Petition sets forth that he has been fined by the Court of the said County in the Sum of Six pounds for retailing Spiritous Liquors contrary to Law, which also appears by a Transcript of the proceeding accompanying the petition - The Petitioner represents that he has uniformly taken out Licence before and since the small period of time during which he became liable to Presentment; and that his Omission at that time proceeded from an Opinion that his Licence extended to September term, whereas it in reality expired at the June term preceeding - The Petitioner further represents that he is rather a poor man with a large family, and that he has but one Arm - The Board being of Opinion from the Circumstances of the Case and from a Recommendation in favor of the Petitioner signed by three of the Justices of the County, that the aforesaid Offence was not intentional, committed, do direct that the above fine of six pounds be and it is hereby remitted.
