The Council met

Present as on yesterday

Commission issued to Joseph Selby appointed one of the Coroners of Ann Arundel County

Ordered that the western Shore Treasurer pay to John Green Three pounds for work done to the pump at the Government house per account passed by the Auditor.

That the said Treasurer pay to Thomas Earles one pound sixteen shillings for work done at the Government House per account passed by the Auditor.

In Council March 2 1791.

Archibald Bernard of Baltimore County by his Petition, which is accompanied with a transcript of the record of the Court of Oyer and Terminer of said County, sets forth that on the 14th of December 1789, he entered into a recognizance of ten pounds for the appearance of a certain Ann Heron before the Justices of the said Court to August term seventeen hundred and ninety, to answer presentment and indictment for felony - that the said Ann Heron made her escape without the knowledge of the Petitioner and did not make her appearance before the Justices aforesaid agreeably to the tenor of his recognizance, whereby the same became forfeited - that Execution hath issued against him for the recovery thereof which he is unable to pay. He therefore prays a remission, and three of the Justices of the said Court together with several respectable inhabitants of Baltimore town having certified as to his poverty, and recommended him to the clemency of Government - The Board in consideration of all the circumstances do order and direct that the said forfeiture of ten pounds be remitted on his paying all costs arising thereon -
