

William Campbell Esq^r Agent appointed to Superintend the Collection of all Balances due to the State upon open Account, represents that it will be necessary to enable him to settle the Accounts on the Auditors Books that he should be furnished with a copy of each Debtors Account as they stand stated on the Books of the Auditor, in order to ascertain the particular periods when the advances were made to such Debtors as the greater part of the unsettled Accounts originated at a time when the Continental and State Money were in Circulation and in a depreciated State - The Board having considered said representation are of opinion that he ought to be furnished with Copies of said Accounts and have appointed Mr Elie Vallette Clerk for that purpose, and that he be allowed after the rate of Seventeen pence, ten Shillings per Calendar Month while engaged in said business -
