

In Council May 7. 1792

Ignatius Adams junior of Charles County by his Petition sets forth that he and a certain William Chandler Brent were some time in 1790 appointed joint Overseers of the road - that they as was customary in similar Cases, divided the duty on the said road - that he the said Adams did his duty faithfully in mending and keeping his part of the road in good order, but Brent neglecting his part, a Presentment was lodged against them both at Charles County Court March term last, and they were severally fined according to an Act of Assembly the quantity of two hundred and fifty pounds of Tobacco - he represents that he has but little property and cannot without great difficulty discharge the same - and the Chief Justice of the first district and several Inhabitants of Charles County aforesaid having recommended a remission of the said fine - The Board do hereby order and direct a remission thereof on the payment of all costs arising on the said Presentment
