

Whereas John and Walter Hanson are indebted to the State of Maryland for monies advanced them to erect a powder mill in Charles County, and it appears that they have expended the greatest part, if not the whole of the said advances, in buildings necessary for the manufacturing of powder - And whereas the said John Hanson in behalf of himself and the Representatives of the said Walter through Randolph B. Latimer Agent for the State, has proposed to relinquish his claim upon the State of one hundred and twenty pounds fifteen shillings for surveying the manors and reserves in Charles County aforesaid and to give Bond to the State agreeably to the Act to appoint an Agent &c, for four hundred pounds, amounting in the whole to the sum of five hundred and twenty pounds, fifteen shillings in consideration of the State's relinquishing the claim upon them the said John and Walter Hanson for the monies advanced as aforesaid - The Board after due Consideration of the expenditures of the said John & Walter Hanson upon the said Buildings and the proposition made do agree to accept the same and do direct that the said John and Walter Hanson have credit for the advances aforesaid upon his the said John Hanson giving from under his hand a relinquishment
