from the said purchase, and that his Bond be cancelled upon the said Horatio Beltr surrendering the said land to the State and paying all costs —

George Fitzhugh of Baltimore County by his petition to the Board, states that he purchased of the State in the year 1785 a lot of land lying in the County aforesaid containing 189 acres at sixteen pounds per acre — that not only himself but his Securities are entirely unable to pay for the said land — that he has paid into the Treasury the sum of six hundred and eight pounds fourteen shillings and three pence, which he prays may be deemed a sufficient compensation for the use of it, and that the same may be taken back for the use of the State — He also makes Oath to the above fact of his and the Securities inability to pay for the said land, and the Board being satisfied of the truth of the facts mentioned in the Petition. Do therefore Order that the said George Fitzhugh be released from the said purchase on his relinquishing his right in the said property to the State and paying all costs arising thereon.
