By the Petition of Frederick County Court it appears that Rachel
Grove was at last November Term presented and found guilty of
selling spiritous liquors without licence and was by the said
Court fined the sum of twenty pounds. It further appears
that the said Rachel Grove applied to a certain John Hinkle to
obtain a licence for her to sell liquors. That Hinkle accordingly
went to the Clerk's office for the purpose of getting it, but that
while at the office and before the said licence was ready, a
person came in and informed him that his waggon had just
come to Town and that he was wanted. That in consequence of which
information he went away and proceeded no further in obtaining
the said licence. It is further represented that Mrs. Grove is a
poor woman of fair character, and has several children depending
on her for support. The Board on consideration of which circum-
stances and from the recommendation of the Chief and one of the
Associate Justices of the Court of the said County do order and
direct that the said Rachel Grove be released from the said
fine of twenty pounds.
