Tuesday February 21. 1797

The Council met. Present His Excellency the Governor and The Honble William Hilly James Price, James Thomas, John Davidson and John Johnson.

Ordered, that the Treasurer of the Western Shore pay to Mr. John Shaw two hundred and seventy three pounds eighteen shillings and five pence as per account passed by the Auditor.

Ordered, that the said Treasurer pay to Mr. John Shaw twenty four pounds ten shillings for making six Mahogany Chairs for the use of the Council as per account passed by the Auditor.

Ordered, that the said Treasurer pay to Mr. Terence Smith eighty one pounds eighteen shillings and nine pence on account for work done at the Hall House as per account passed by the Auditor.

By the Petition of Frederick Heinbech of Washington County it appears that twelve presentments were found against him at December Term last for selling spiritous liquors without licence and was by the said Court fined the sum of six pounds on each amount in the whole to the sum of seventy two pounds. The Petitioner states that he obtained a licence from the Collector of the Revenue of Washington County which from his ignorance of the laws of the State he conceived to be a sufficient authority to sell. He therefore prays a Remission of the above fines. The Board on consideration of which circumstances and from the recommendation of the Court of the said County do order and direct that the said Frederick Heinbech be released from the above fines.
