By the Petition of Frederick Johnson accompanied
by a Transcript from the Proceedings of Baltimore County
Court it appears that he entered into a recognizance
to appear before the said Court at August Term last
to testify against Negro Jupiter. The Petitioner
states that he did appear at the time mentioned
and remained for some time waiting for the trial of
the case, but his duty as a watchman making it
necessary for him to leave the Court for a short
time, he applied to one of the associate Justices
whether he might leave the Court, stating his reasons
for the enquiry and being answered in the affirmative,
and mistaking the Justice did not appear again.
