The Council met. Present His Excellency the Governor and The Honble Thomas Buchanan, Samuel Bidout and John Davidson

By the Petition of William Sheppard and John Carrols accompanied by a Transcript from the Proceedings of Baltimore County Court it appears that they entered into a Recognizance in the sum of twenty pounds current Money each for the appearance of William Sheppard at August Term last for an assault and battery committed on John Talbot Pristean. The Petitioners state that the said Sheppard attended at March Term last and was acquitted of the said offence and would have attended at the said August Term but supposed that an accommodation which took place between him and the said Pristean rendered it unnecessary. They therefore pray to be released from the said recognizances. The Board on consideration of which circumstances and from the recommendation of the Court of the said County do omit the same.
