

Mr. Smith's Paper at Easton. Mr. Bartagon Paper at Frederick Town and Mr. Gervasi Paper at Hagerstown.

By the Petition of John Ruston of Prince Georges County it appears that he was fined by the Court of the said County at April Term last the sum of six pounds current Money for selling spirituous liquors contrary to law. The Petitioner states that he did not know that it was necessary for him to appear in person in order to take out license, but supposed that it might be done by some person for him and under that impression he sent the Tax for a license to Henry Hall of Upper Marlboro with a request that he would do the business for him. The Petitioner states that he proceeded to sell and was not informed till several Months afterwards by the said Hall, that a license had not been granted. He therefore prays to be released from the said fine. The Board on consideration and from the recommendation of the Court of the said County do release the said John Ruston from the said fine.
