He states that he entered into a Recognizance for the appearance of the said Boy, but that he has been sent away to Louisiana where he will remain. The Petitioner states that such circumstances existed in the case as would have induced the Court in the worst of Judgments against him to apply to the Governor for his banishment from the State, and as that has been as effectually done by his being sent away he prays a Remission of the forfeiture amounting to fifty pounds. The Board on consideration of which circumstances and from the recommendation of the Court of the said County do remit one half of the said forfeiture.
