By the Petition of William Callerson of the City of Baltimore Merchant accompanied by Transcripts from the Proceedings of the Court of Oyer and Terminer and Gaol Delivery for Baltimore County it appears that he was fined in five several cases the sum of fifty Dollars in each case for keeping a Ferry without licence. The Petitioner states that he is the owner of a tract of land lying on the Falls of Gun Powder River in Baltimore County, at the place where the Post Road leading from Baltimore to Philadelphia crosses the said Falls that the superintendence of the said Ferry together with his other concerns at that place had for several years past been intrusted to a person living on the spot and that the Petitioner had no knowledge whatever of the offence to obtain a licence until notified thereof by a subpoena to answer the offence. The Board on consideration of which circumstances and from the recommendation of the Court of Oyer and Terminer and Gaol Delivery for Baltimore County do remit the said fines of fifty Dollars each.
