

By the Petition of William Timmers a free Negro it appears that being ignorant of the laws of the State and not intending to violate them he emigrated sometime ago from the Commonwealth of Virginia and settled in the State of Maryland where he has a Wife (who is a Slave) and several Children. He further states and the same is confirmed by the Certificate of several respectable Gentlemen that since his residence here he has conducted himself honestly orderly and industriously but that at Washington County Court at October Term eighteen hundred and thirteen he was indicted and fined one hundred and forty dollars for the said offence and in default of payment to be sold for such term as will be necessary to discharge the same. The Petitioner further states that he is entirely unable to discharge said fine. The Board on consideration of which circumstances and from the recommendation of the Court of the said County do release the said William Timmers from the fine of one hundred and forty dollars.
