By the Petition of James Robey of Charles County accompanied by a Transcript of the proceedings of the Court of the said County it appears that that he was fined by the said Court at March term last forty Dollars for assaulting and beating John F. Gardiner. The Petitioner states that he did not assault the said Gardiner until after he considered himself stoppt and impeded in his journey home (from whence he had been absent for several days) by the said Gardiners holding his bridle and forcibly detaining him on the road against his will and in opposition to his most anxious wishes to return to his family, which he considered as a violation of his personal privileges, authorizing the means used of rescuing himself. The Petitioner states that he is poor, and has a large family to support. The Board on consideration of the good character of the said Robey and from the recommendation of a number of most respectable persons inhabitants of Charles County do remit the said fine of forty Dollars
