

Ordered, that the Clerk of the Council, cause notice to be given in the National Intelligencer; The Federal Gazette and Baltimore Patriot; for three successive weeks before the next meeting of the executive. That they are authorized, to dispose of five hundred copies of Chancellor Kellogg's reports of English Statutes, and that they will receive at that time proposals for the purchase of the same.

By order of the Governor and Council Notice is hereby given, that they are authorized to dispose of five hundred copies of Chancellor Kellogg's reports of English Statutes, and that they will receive at their next meeting to be held in the first week in June next, proposals for the purchase of the same.

Herman Pinkney Clerk

of the Executive Council of Maryland.

To be published for three successive weeks in the Maryland Republican, National Intelligencer, Patriot and Federal Gazette.

By the Petition of Henry Amey and John Badger of Baltimore County it appears, that they entered into a Recognizance in the sum of five hundred dollars each, for the appearance of a certain Richard Chapman at Harford County Court, upon an Indictment found in Baltimore City Court, and removed to Harford County for trial, and which Recognizance was on consequence of the non appearance of the said Chapman forfeited at March term last. The Petitioners state that the said Chapman almost as soon as liberated, actually went out of the state, and has never since returned, nor has he been heard of since. That your Petitioners are unable to pay the said forfeitures without great inconvenience to themselves and families which are large. The Board do on the recommendation of the Court of the said County leave the said Henry Amey and John Badger
