

I have the pleasure to inform you that the Executive Council have selected you to aid the Attorney General, in prosecuting certain persons indicted in Cecil County Court, charged with unlawfully obstructing the navigation of the river, by damming and erecting nuisances thereon. The Clerk of Cecil County Court will furnish you with any Papers connected with this case, and you can at your leisure confer with the Honourable the Attorney General, who I believe is well acquainted with the business. They have likewise directed me to ask that you will be pleased to cause a suit to be instituted against Solomon Lowe, for money advanced to him, while Contractor of Talbot County, and not accounted for by him. I send you the Papers in his case.

I am &c.
