

By the Petition of Philip Spalding of Currier George County, accompanied by a Transcript from the Proceedings of the Court of the said County it appears, that he was fined by the said Court at September Term eighteen hundred and twenty three, in three cases, the sum of sixteen dollars in each case for selling spirituous liquors without license. The Petitioner states that he has been a seller of spirituous liquors for many years, and has always obtained a license for vending the same, except for a short period, which omission was unintentional and merely the result of accident. The Board do on considering the circumstances of this case, and from the recommendation of the Court of the said County remit the said three of sixteen dollars each.
