By the Petition of Dennis M Burgess accompanied by a transcript from Prince Georges County Court it appears that he was fined by the said Court at April term 1825 one hundred and fifty dollars for keeping a billiard Table and receiving pay for games played thereon without licence. The Petitioner states that a few days before the April term of the Court of said County in the year 1823 he called upon the Clerk thereof for the purpose of renewing his licence to keep a billiard Table, and was informed that he could not then obtain a licence, there being none ready, but that he should have one on Monday the first day of Court. The greater part of the money for said licence being in the hands of the said Clerk, and your petitioner being much engaged on Monday neglected to call for his licence until Wednesday morning thereafter, he therefore prays to be released from the said fine. — The board do hereby remit the same.
