By the Petition of William Insell of Anne Arundel County, it appears, that he was fined by the County Court of said County, at September Term 1825, the sum of twenty dollars for an assault and Battery. The Petitioner states, that the said fine was imposed upon him for chastising a negro man whose insolence was such, in his opinion, as to justify him for the act. And he prays, that, in consideration of his having a family to support, with no other means whatever but his labour to maintain them, he may be relieved from the said fine. And sundry respectable Citizens of Anne Arundel County, having recommended that the prayer of the petitioner be granted, the said fine is hereby remitted.
