

On the termination of His Excellency the Governor, and by and with the advice and consent of the Council the following Civil appointments were made, and commission issued accordingly, viz.

Each William, Attorney General for Civil Causes

Edward Duboy, Attorney General of the Peace of the County of Cumberland

Ordered that the Treasurer of the Western Shore, viz Joseph Shaver, make three thousand dollars an account of Weights and Measures, to be accounted for.

Ordered that the Clerk engaged in recording Shavers papers, removed from the room now occupied by them (and which is about the better of your library) to the committee room of the House of Delegates.

By the petition of Joseph Thomas of the City of Annapolis, it is represented that he was fined by the County Court at October Term 1826 the sum of ten dollars for an assault & battery on Alice Taylor. The Petitioner states that a difference had taken place between his children and the said Alice Taylor, all of whom lived in the same house; that said injury, whatever it was sustained by the said Alice Taylor, was never contemplated by him: she being his niece, and that he had always befriended her and her family. He further states that he is very poor, and unable to pay said fine, and has a large family to support, that he is sober, industrious, well disposed citizen for the truth of which he refers to sundry citizens of Annapolis, who recommended him to your clemency. That sundry respectable citizens of the City of Annapolis having stated that the facts set forth by the petitioner are true, and having recommended a remission of the said fine, would hereby remit the same.
