By the Petition of Joseph C. Smith of the City of Baltimore, it appears, that he was fined by Baltimore City Court, at a former Term 1827, in two several cases, the sum of twenty four dollars in each case for selling liquor without License. The petitioner represents, that he had obtained a License to retail Spirituous liquors, and that after it had expired he continued to sell, under the mistaken supposition (as he afterwards ascertained) that the License he had was sufficient until the next Term of the City Court, when he intended, and did renew his License; that he had no fraudulent design, and that owing to his limited means, and having a family to maintain, he is unable to pay the said fines, and therefore prays that they may be remitted. And the said Court having recommended a remission of the said fines - we do hereby remit the same.
