By the petition of Joseph A. Buck Junr, accompanied by a transcript from the record it appears that at April Term 1830 of Prince Georges County Court, he was convicted on indictment of an assault & battery on Samuel Scott Junior, and fined fifty dollars.

The petitioner states that he was convicted entirely on the testimony of the said Scott, which is untrue and accompanies his petition with the deposition of Doct. William G. Hardy, who confirms the petitioners statement, and of one of the Judges of the Court having certified his belief of the Petitioner's statement and recommended a remission of the fine, we do therefore hereby remit it.

By the petition of William H. Fitzhugh, accompanied by a transcript from the record it appears, that at October Term 1830 of Calvert County Court, he was convicted of an assault and battery on the body of Vernon H. Dorsey, and fined twenty dollars.

It is stated by many respectable Citizens and members of the Bar of Calvert County, that they believe he committed the assault under the influence of outraged feelings, and that he submitted the case to the Court from motives of delicacy towards a General. They therefore pray a remission of his fine; which we do hereby remit
