By the petition of Thomas Bruce of Prince Georges County, and a transcript from the Records of Charles County Court, it appears that he was fined by the said Court at August Term 1831 five pounds, for keeping a ferry without License. The petitioner represents that the omission to obtain a License to keep said Ferry was innocent and without any intention to violate the Laws of the State; that he appeared in Court and admitted the fact with which he stood charged. He therefore prays for a remission of the said fine. And one of the Judges of the said Court having recommended the remission of the said fine, we do hereby remit the same.

By the petition of John Lamb, and a transcript from the Records of Baltimore County Court, it appears that the said John Lamb had entered into a Recognizance with John Clarke in the sum of two hundred dollars each for the appearance of the said Clarke before the said County Court of November Term 1833 to answer a presentment against the said Clarke for Felony. The petitioner states that the said Clarke is the brother of his wife, that he is a poor man, that contrary to his expectation, without his knowledge and against his will and approbation the said Clarke being gone off beyond his power or controul, that he does not know where said Clarke is and has no means of procuring his attendance, that it would absolutely beggar him and his wife and family to pay said Recognizance. He therefore prays for a remission of the same. And the petitioner has made oath to the truth of his statement, and the chief Judge of the said Court having recommended a compliance with his prayer, we do hereby remit the said forfeiture.
