

A Duly, and by another transcript it appears that William A. Dulany, at the same term, paid the said Court thirty dollars for an appeal & trial on Alexander Manning. Honble Judge Doney states that he presided at the trials of the said cases and imposed said fines, that there was nothing done at the trials indicating malignity of feeling, that the parties are restored to their usual kind feelings, and that for these reasons he recommended the remission of said fines. We do therefore hereby remit the same.

By the petition of Henry Brant and Malapa Brant his wife, and transcripts from the Records of Allegany County Court, it appears that the said Henry alias George Brant and the said Malapa Brant alias Davis were each fined by the said County Court at October Term 1833 the sum of five hundred pounds, for getting married in Pennsylvania;

The petitioners state that they were entirely ignorant of the Law, under which they were convicted and had no intention to violate any of the Laws of the State. And the Judges of the said Court, and sundry other respectable Citizens having recommended the remission of the said fines, we do hereby remit the same.
