By the petition of Michael Terrell, and a transcript from
the Records of Prince Georges County Court, it appears that he had entered
into a Recognizance, in the sum of fifty dollars, together with William W
Adams and John Guy in the sum of twenty five dollars each for the
personal appearance of the said Michael Terrell before Prince Georges
County Court at April Term 1835, to answer &c, and that the said
Recognizance has been forfeited. The petitioners state that he did appear
before said Court, according to his Recognizance, when, no person appearing
against him he thought he was discharged, whereas the said Recognizance
was only resorted to the next Term. He states further that he might have
had quashed all the proceedings in said case, by proving that the party who
took the oath of the peace against him is a free Negro, and not a competent
Witness; he being a white man, and he therefore prays for a remission of
said forfeiture. And the said Court, and many respectable citizens
of the said County having recommended a compliance with the prayer
of the petitioners, we do hereby remit said forfeiture.
