

in favour of Jeremiah Hughes Esquire, in advance and part payment
for printing the Journal of the House of Delegates so far as the said
Journal may be printed from time to time as the said Hughes may
request.

Ordered that the Clerk of the Council have transcribed the
Journals of Proceedings of the Committee or Council of Safety, and of
the Convention of 1775, and the Correspondence transmitted from the said
Committee or Council, and Convention, respectively in proper Books
which he is hereby authorized to procure for that purpose - the said
Journals and Correspondence being part of the Documents and Papers
referred to in Resolution No. of the last General Assembly.

Contracted with Washington G. Cook Armorer at Annapolis
for Fifty thousand Ball Cartridges to be made in the best manner
and of good durable material for \$1034.25.

Upon consideration of the act of the General Assembly passed
at the present extra Session, authorizing and requiring the Governor
and Council to contract for, or cause to be erected in any other manner
as they may deem best, a new Warehouse on a vacant Lot adjoining the
State Tobacco Inspection Warehouse No. 3, upon the plan and of the dimen-
sions proposed in a plan and estimate made out by a building mechanic
in the City of Baltimore, for the committee who visited that place in March
last, for the investigation of this subject, and also authorizing and requiring
them to contract for and purchase a Lot of Ground adjoining the above
vacant Lot as proposed and recommended by the said Visiting Committee,
the following Resolution was adopted Viz.

Resolved that the proposal of John N. & Wm. Murphy
to superintend the building of said Warehouse for a compensation of
fourteen hundred dollars, be and the same is hereby accepted, upon
condition that the said John N. & Wm. Murphy shall enter into bond
with the penalty of fifteen thousand dollars, with security to be approved by
Nathaniel S. Williams Esquire, to the Governor & Council for the faithful
superintendance of said building - to furnish all the necessary plans and
drawings, to purchase all the necessary materials, of the best quality, and
upon the lowest obtainable terms, to employ and pay all the workmen
and labourers necessary for the erection and completion of said Warehouse
with the necessary fixtures, ready for use as a Tobacco Inspection Warehouse,
at not more than the usual wages, and generally to superintend the erection
of said building and therein to faithfully guard and protect the interests
of the State in relation thereto, and when completed, or from time to time
as may be required, to report to the Executive a full and particular account
