Gentlemen of the Senate &
of the House of Delegates;

We herewith lay before you a Report of the
Commissioners under Resolution of December Session last, to make a reconnais-
sance and Survey, and to estimate the cost of a Rail Road on the Eastern shore,
with two Reports of the Chief Engineer employed by the Commissioners to make
said reconnaissance, Survey and estimates.

With the highest respect, we have the
honor to remain your Obedt. Servts.

Gentlemen of the House of Delegates,

Immediately upon the receipt of your order of the 1st Inst.
calling on us for information relative to the services and duties performed
by the Geologist and Topographical Engineer of the State, within the past
year, and what length of time it will require to perform the duties
contemplated by the creation of those offices, — not being in possession of the
information sought for by you, — we transmitted a copy of your order to
