Council Chamber
Annapolis March 25th 1835

Dear Sir,

Governor Thomas has instructed me to acknowledge
the receipt of yours of the 18th Instant, in which, you state, that you
had just learned that General Chambers had resigned his commission,
and that a successor had been appointed, in derogation (if not of
your rights,) at least of your feelings as an officer, and to inform
you that in the appointment of a successor, the Governor & Executive
Executive had not the most distant thought that they were
in derogation of either your rights or feelings, as an officer.

Our Military Records show that Col. ~~immortal~~
months your senior in that rank: he was appointed a Colonel
the 16th of August 1824 and you on the 14th of January 1825.

It is presumed that your letter was written in
misapprehension of those facts, which it is hoped you are
acquainted with, will be satisfactory in your own mind.
