Council Chamber

Annapolis Aug 20 1835.

Sir,

N. F. Williams Esquire laid before the Executive a  
communication from you dated the 14th Instant in which you  
state that you had repeatedly written for a Commission for Colo  
Gettings, (or rather to renew his Commission, if he was stricken from  
the rolls for not reporting) and information whether he is in Commission  
or not. All your communications to the Executive for the last  
two years have been examined, and in one dated the 24th of December  
1833, you nominate Colo Gettings to be recommissioned - in no  
subsequent one is his name mentioned. If therefore, you are not  
mistaken in your statement to Mr Williams, some of your commu-  
nications to the Executive must have miscarried.

How it happened that Colo Gettings was not reappointed  
I cannot now say, but I know that the omission was not from any  
objection to him or from any disposition or intention to neglect your  
communication. Send herewith a Commission for Colo Gettings

Very respectfully,  
Your Obedt. Servt.  
Thos. Culbreth

Yours

Joseph Robinson Baltimore

-out first consulting the Governor & Council, before answering  
your letter, at the recent meeting.

You say if you did not perceive  
of not reporting, and it is said that you are  
you are quite satisfied with the  
to be no necessity for a new
