State of Maryland to wit:

Whereas it is right and proper that some one day
of those commonly devoted to secular employments, should be
giving dedicated by the people of Maryland to the Almighty, as a
Day. day of Thanksgiving, for the many blessings enjoyed by them
during the present year; and whereas it is usual that this
day should be designated by the Gov. of the State —

Now Therefore I, Thos. G. Pratt Gov. of the State of
Maryland, do recommend that Thursday the Twenty seventh
day of November next be set apart and observed by the
people of Maryland as a day of public Thanksgiving & that
in bearing all secular employments they will on that day
unite in praise and prayer to the Almighty for the many
blessings which they under his Divine protection have
enjoyed.
