Maryland Historical Society

November 21st 1847

Received from the Governor of the State of Maryland the original papers, documents and records connected with the early History of Maryland and with the History of the Revolution and the period preceding the same, as may serve to illustrate the Annals of Maryland; its original settlements, and subsequent progress to the close of the Revolutionary War; it being understood that the same are received according to and under the provisions of the 27th Resolution of the Legislature of Maryland passed on the 5th of March 1847, and moreover, that the Catalogue of said papers, documents, and records is to be immediately filed and annexed to this receipt -

In witness whereof the Maryland
Historical Society

J. Spear Smith - President
J. F. Street - Recording Secretary
