

I take this opportunity of returning my hearty thanks for your kind Expressions to me & of assuring you that I shall always receive the greatest pleasure in paying the most strict obedience, whenever I am honoured with Yours or His Ldps Command.

The Rent Rolls are preparing, as expeditiously as possible & I have desired Mr. Tasker to send me the Persons concerned in stating the Case of concerning the disputed Boundaries after I can get the Evidence authenticated I will transmit them by the first opportunity.

I have writ to His Ldp to acquaint him with the Decease of Mr. Young, one of the Judges of the Land Office, whom I thought Mr. Calvert would have no objection to succeed & to divide the Profits of the Office with Mr. Stewart, who by what I can learn has been truly faithful in the Execution of his Duty, & would have enabled me by resigning a Place which he holds in the Paper Currency Office, to make some provision for Mr. Young's Son, whom at Mr. Speakers Request His Ldp was pleased to recommend: Mr. Calverts refusal of submitting to any such Division, has made me decline nominating any Person in Mr. Young's room till I can learn His Ldps & your pleasure concerning this Affair.
