The Original Tract with Licence to include any adjacent Vacancy
in their Survey; but there are I find by strict Enquiry among
the Inhabitants many Gent^{rs} who hold large Tracts of Land as
Surplus under extensive old Patents, who never will reserve the
same upon the Conditions that are at present insisted on by
the Agent before he grants Warrant of Survey; who requires
on such Occasions the Arrearage for such Surplus from the
Date of the Patent: but if His Ldp would permit the Patentee
to have Warrant of Survey for his Land, upon Condition
he shall pay for the Surplus henceforward at the original re-
served Rent, there are none hardly in possession of Surplus Land
I am well informed but would immediately take out Warrant
of Survey. This would be an immediate & perpetual Increase
of His Lops Revenue from Quit Rents & I submit to your
Consideration whether it would not be much for his Lops Advan-
tage: as it would also make pretty well known what Vacancies
there is in each County. I have hinted my Opinion herewith
to Col^o Lloyd & desired he will against our next Meeting
consider of it that we may be then able to write more
particularly on this Matter.
