Copy of 16th Letter to M^r Calvert dated the Sept^r 11th 1754
transmitted by M^r Gallaway in Capt. Biggs

Sir
Your Favour by M^r Graham who I learn is safe arrived; I have just now received & have immediately thereupon in Obedience to His L^{dy}s Pleasure ordered Com^{rs} to be made out to M^r Charles Graham as Naval Officer of Pocomoke; & have sent to him desiring to see him at Annapolis to give the usual Security & enter upon his Office; I have spoke to M^r Tasher about the Office of Surveyor Gen^l of the Eastern Shore, which he has held only nominally & after I have taken an early opportunity of seeing M^r Graham I will either appoint M^r Graham to the Office or if M^r Graham chooses to let the place be still held by Col^o Tasher but take care that the future profits as well as the arrears of that Office, be paid to her. This I shall do with very great pleasure, as well in Obedience to His L^{dy}s will & your Desire, as out of regard to M^r Graham
