herself to whose Ease & happiness I shall receive the greatest
Satisfaction from contributing - Mr. Tasker informs me that he
remitted some Months since & hopes you have as this received
what you were pleased to mention to me in the Postscript to
your last Letter - Affairs on our Frontiers are just in the
same Situation that I described in my Letter of the 15th Inst.
& I believe must so remain unless any Measures that may be
taken at home shall afford us a better Prospect. - With
Duplicates of the Laws enacted at the last Session of Assembly
I have inclosed a Plat of the Mannour called Lady
Baltimore's Mannour or Lord Baltimore's Gift in Baltimore
County hoping you will be able to find & transmit the
Original Patent which might prevent some Disputes
that will very probably otherwise arise from I doubt an
Error of the Clerk who recorded the Surveyors Certificate
of the Limits of the Mannour in the Land Office; for in a
Deed of Sale to Mr Breewood of this Mannour signed by
Thomas Breewood Junr. & Charlotte Breewood dated the 31st of
August 1731 The Mannour Bounds are described to be different
from those Specified in the said Surveyors Certificate & I
have inclosed a Platt of the Mannour to shew more clearly in
what the Boundaries differ which is only with respect to
one Course noted in the Platt C.D. described by the Surveyors
Return to extend 420 Perches by Mr. Breewoods Deed only 120.
