

have been presented as before. You also are that I never  
 wanted to introduce him for saying that he expected I would make  
 some better Discoveries in the places which he already  
 told me. I assured him that I would do so & promised  
 him that it was in my power to do so readily comply with his  
 request. The reason the Clishman of West County would  
 satisfy him is that he is a young man which might in great  
 measure be assisted by a good income that he could easily engage  
 to that purpose that Clishman the man you have already promised  
 to a Son of the late Commisary Gen<sup>l</sup> whose Estate lies in Kent  
 City & used his name to be entered in the Secretarys Office  
 in memory of that name (to come) I told him that in case a  
 Clishman should be vacant & that at the best objection to such  
 a proposition is that if he entered such a Place he must  
 relinquish all thoughts of being a Justice as there was a  
 great Improvement in a Person being as a Ministerial Officer  
 as a County Clerk is at the same time being a Member of  
 a superior Branch of the Legislature. At this he said he would  
 consider as he is likely removed thence with his family I have  
 since had an opportunity of conversing on this Subject with Mr.  
 Young who does not seem much inclined to consent to his husbands  
 waiving his Right to a Seat at the Council tho' as she desires  
 he may have a liberative Improvement as well as Honour she  
 hopes he may depend on the Clishman of West County when it  
 becomes vacant that being the best in the Province of West a pleasant  
 Part of the Country but as it is popular Mr. Smith he want  
 Clishman might see many Years tho' he is pretty old She hopes  
 neither his Love nor Yourself will be ag<sup>t</sup> appointing Mr. Young
