the Same Signified to your Commands your peremptory Order to the
Several Officers of the Several Posts, the Same when Officers to compleat such
Partial Works as you require & to keep the Same that I have done so
I have received in a Copy of my Instructions to those Officers which in fact
are much the same as I had before given them agreable to the Instructions
which I have several times received. As by Same Post you gave me encou-
ragable Concern that the Ldp should have reason to repeat the
Instructions on that Subject, I wish it had been as much in my
Power as in my Intention to have given His Ldp Satisfaction therein
