

To Gov Morris <sup>174</sup> Feby 14. 1756,

Your Lett<sup>r</sup> of the 1<sup>st</sup> 9<sup>th</sup> but as well as one dated the  
29<sup>th</sup> Jan<sup>y</sup> I am favoured with, I am much obliged to you for  
acquainting me with the Steps you have taken to prevent  
any future Incursions of the Indians & for your promise  
that I shall not long remain ignorant of the Result of the  
Treaty that was about to be held at Colo. Johnson's. Your  
request in favour of Munnier & Le Blanc shall be complied  
with whenever they desire to return to Phila. the Wife &  
Family of the first are here; the other is gone to look  
for his in a distant part of the Province. Our Assembly  
meets the 20<sup>th</sup>. I am afraid they will not be much inclined to  
comply with General Shirley's Requisition by sending  
Troops to act in conjunction with those of the Eastern  
Gov<sup>ts</sup> for by what I can find they think the Gen<sup>l</sup> has  
taken them enough hence already, & will not be reconcil-  
ed to the Officers enlisting servants in pursuance of their  
Recruiting Instructions. I hope the Regiments are nearly  
completed or that the Gen<sup>l</sup> will very shortly countermand  
such Orders, otherwise I don't know to what Lengths the  
Peoples Resentment might carry them: we are told that  
the Packett from Salmouth is arrived at N York, I should  
be glad to learn what is done, or in Agitations at home
