

the 26<sup>th</sup> of last Month & the 9<sup>th</sup> Inst in which You were pleased to favour me with  
an account of Your Motions from the 10<sup>th</sup> of Aug<sup>st</sup> to the 8<sup>th</sup> Day of this Month  
which will be ever memorable for the great & important Work You then accom-  
plished. I now do myself the honour to return You Thanks for those Letters  
& to congratulate You which I do most heartily on the continued Series of Success  
which has attended His Majesty's Forces under Your Command; more especially  
on that signal & most happy Event the entire Reduction of Canada which will  
not only recommend You to the Favour of a most gracious Sovereign but  
also render You dear to all His Subjects Your Contemporaries & Your Memory  
to their Posterity. That You may long continue to enjoy the Fruits of Your  
past, & that Your Measures for the future may be crown'd with equal Success  
is the most sincere Wish of Your Excellency's most obed<sup>t</sup> humb<sup>l</sup> serv<sup>t</sup>.

To Governor Hamilton. Annapolis the 23<sup>rd</sup> of Oct<sup>r</sup> 1760

I beg Leave to assure You that those of the Commissioners appointed by Lord  
Baltimore to carry into Execution the Articles of Agreement that have been  
entered into by His Ldp & the Proprietaries of Pensilv<sup>a</sup> whom I have seen  
are very desirous to meet You & the other Gentlemen who are appointed Com-  
missioners on behalf of the Mep<sup>s</sup> Penns as soon as possible, & to proceed to Bu-  
siness without Delay being sensible that the Divisional Lines can scarcely  
be run within the time limited by the Articles of Agreement. Let Us pro-  
ceed with what Dispatch we may, nevertheless as I myself & several of the  
other Commissioners are at present much indisposed I cannot promise that  
we will certainly meet You at Newcastle so soon as the 12<sup>th</sup> of next Month  
tho' I am in hopes that a Majority of Us will be sufficiently recovered  
to undertake a Journey thither about that time: All that I can say
