

71

Land Office, to sign all Common, Special, & Barrow Warrants, Grants & Patents & of Escheat Land disposed of, entered on Record. The Form Contracts as often as renewed to be by the Receivers Gen^l transmitted, to the Lord Proprietor, & attested Copies of all other Concerns of his Revenue on Renewal. In Order to Compensate for this Trouble & Attendance, he proposed viz^t to the Judges of the Land Office, their Profit as usual. To the Lieut^t Governor five $\%$ Cent out of the Ten $\%$ Cent as has been usually paid on Value of Land disposed of & four $\%$ Cent of the said Value, to the two Receivers General One for each, & the Remaining One $\%$ Cent for an additional Clerk to the Land Office, whose Business shall be, to keep Books & make Entry of all Concerns necessary by Order of the Board at their Meetings & to serve such Orders signed by the Board or the Major Part of them, the Lieut^t Governor being always One & upon the Party served, not complying with the Summons & Demand of the said Board on the Id Proprietor's Behalf, the said Board shall by their Authority Order & Direct the Receivers General to take such Measure as the Law directs by & with the Advice of the Attorney Gen^l Council for the Id Proprietor, the Expence to be laid & approved by the Board & to stand charged to His L^{ty} & it is proposed that five $\%$ Cent to be paid to the Stewards of the several Manors out of the Ten $\%$ Cent of Rent Value, as has been usually paid to the said Stewards for their Care & good Account & that four $\%$ Cent thereof be paid to the Receivers General for their Trouble; & that the Remaining One $\%$ Cent to the Use of the Clerk of the Land Office, &c. His L^{ty} desires Your Consideration on the above Plan for Method & Rectitude of his private Property which for want of regular Establishment is precarious
